

Four Sung dynasty pottery bowls

£245

REF: 5987

Height: 5 cm (2")

Diameter: 15 cm (5.9")

Description

A group of four pale celadon glazed Sung dynasty pottery bowls. This ancient Chinese ware is highly prized for its simplicity and technical achievement.

The Sung Dynasty, spanning 960 to 1279 AD, was a Chinese imperial era renowned for its advances in technology, culture, and economics. Divided into Northern and Southern Sung periods, it saw significant developments in arts, science, and trade.
