

Circa 1900 parquetry cribbage board

£15

REF: 4308

Height: 2 cm (0.8")

Width: 8 cm (3.1")

Depth: 28 cm (11")

Description

Circa 1900 parquetry cribbage board.

Parquetry and marquetry are distinct woodworking techniques. Parquetry involves creating geometric patterns with wood pieces, often used for flooring. Marquetry, on the other hand, involves inlaying intricate designs or pictures using different woods or materials into a wooden surface. While both techniques enhance aesthetics, parquetry focuses on patterns, and marquetry on detailed imagery.
