

Fornasetti Palladian pattern etched glass charger

£625

Description

A fabulous mid-century Fornasetti Palladian pattern etched glass charger.

The Fornasetti Palladian pattern, created by Italian designer Piero Fornasetti, features whimsical, neo-classical designs inspired by Palladian architecture. Known for its intricate motifs and playful details, it often includes elements like columns, masks, and geometric shapes. This pattern exemplifies Fornasetti's unique blend of artistic flair and architectural reference in decorative arts.
