Description

Vintage Christian Dior by Grosse large gilt Byzantine style ear clips with faux cabochon sapphires, circa 1980

Vintage Christian Dior costume jewellery is highly sought after for its timeless elegance and craftsmanship. Designed from the 1950s onwards, these pieces feature luxurious materials like Swarovski crystals, faux pearls, and gold or rhodium plating.

Many were created in collaboration with renowned designers like Mitchel Maer and Henkel & Grosse. Signature elements include floral motifs, intricate filigree, and bold statement pieces. Collectors value Dior jewellery for its sophistication, artistry, and enduring appeal in fashion history.
