

Georgian yellow gold cameo ring

Sold

REF: 6151

Description

A Georgian yellow gold oval hard stone cameo ring. The cameo depicting Diana carved in agate, circa 1790.

Cameo rings feature a carved relief set against a contrasting background. These intricate designs are typically carved from materials like shell, agate, or coral. Originating in ancient Greece and Rome, cameo rings became popular in the Renaissance and Victorian eras, symbolising elegance and artistry.
