

Pair of Edwardian holophane lamps

Sold

REF: 6106

Height: 20 cm (7.9")

Diameter: 19 cm (7.5")

Description

A stylish pair of Edwardian Holophane moulded glass and bronzed pendant lamps circa 1900. Rewired with white twisted fabric flex and PAT tested.

Holophane is a renowned manufacturer of lighting solutions, known for its prismatic glass technology that enhances light distribution and efficiency. Established in London in 1898, Holophane lights are prized for durability, classic design, and superior illumination quality.

As with all electrical items we recommend that they are installed by a qualified electrician.
