Description

A fabulous Fornasetti stick stand in a rare design, circa 1950 . An iconic piece by an iconic designer. Unusual to find one of this period in such good condition and complete with original feet and liner.

Fornasetti stick stands are renowned for their distinctive, artistic designs, often featuring whimsical patterns and surreal imagery. Created by the Italian design house Fornasetti, these stands blend functionality with decorative art, making them stylish and unique. Their creative, eye-catching aesthetics reflect the brand's commitment to imaginative and functional design.
