

Edwardian barrel back sofa

Sold

Description

An Edwardian barrel back sofa in fine condition to a design retailed by Liberty of London.

Barrel back sofas feature a tall, curved, rounded back resembling the shape of a barrel. This design offers a cozy, enveloping feel, and this one is just perfect for curling up and reading a book in.

Incredibly comfortable and with its original upholstery in almost as new condition. Its high back makes it perfect for anyone in a drafty house.
