Description

A pair of 19th century Stourbridge fine etched crystal glass onion form decanters with faceted necks and matched stoppers, circa 1890.

Stourbridge glass, produced in Stourbridge, England, is renowned for its high-quality craftsmanship and distinctive designs. Established in the 18th century, it includes both intricate cut glass and vibrant, hand-blown pieces. Stourbridge glass is celebrated for its clarity, artistry, and durability, representing a significant legacy in British glassmaking.
