Description

A charming set of six Royal Brierley crystal red wine glasses in the elegant "Honeysuckle" pattern. Each glass is finely etched with a trailing honeysuckle design, creating a delicate interplay of light, texture, and detail across the bowl. The pattern's graceful floral decoration brings a romantic, traditional character to an otherwise classic wine-glass form.

Made by Royal Brierley, one of England's best-known names in fine crystal, the glasses have a satisfying clarity and brilliance that make them as enjoyable to use as they are to display. Their generous bowls are well suited to serving red wine, while the etched decoration adds refinement to a dinner table, drinks trolley, or glass cabinet.

Presented as a matching set of six, they offer a wonderful opportunity to add a coordinated and beautifully made group of English crystal to a table setting. Equally appealing for everyday entertaining or more formal occasions, they would make a thoughtful gift for a wine lover, a collector of Royal Brierley glass, or anyone drawn to classic British tableware.
