

18ct white gold Art Deco three stone ring

Sold

REF: 6138

Description

An 18ct white gold Art Deco three stone ring set with three carré cut pink/orange tourmalines.

The carré cut, also known as the square cut, features a precisely square shape with straight, symmetrical facets. This cut enhances a gemstone's brilliance and fire by maximising light reflection. Popular in both diamonds and coloured stones, the carré cut is known for its clean aesthetic and classic appeal.
