Description

A 1950s 18ct yellow gold cocktail ring set with turquoise

UK Ring Size: N

Cocktail rings are bold, eye-catching statement pieces traditionally worn to social gatherings and parties. Originating in the 1920s Prohibition era, these rings became symbols of glamour and rebellion, often featuring oversized gemstones, intricate designs, and vibrant colours.

Typically worn on the right hand, cocktail rings are crafted from precious or semi-precious stones set in gold, silver, or platinum. Their dramatic size and sparkle make them ideal for expressing individuality and confidence.
